“ Anita and I have known each other since we started school at Pendorf, went to JCAH and I sang at Jim and Anita's wedding. We were best friends along with Rachel Monk, Joe Cook Crumbly and Bernice Ray Cheeks and shared many laughs together.

We kept in touch over the years at least on our birthdays and at Christmas. She was two days older than me and I often kidded her about being older.

May Eddie and Mona (grandchildren also) find peace in this time of sorrow knowing that she had a beautiful life and will surely be reunited with Jim.

“ My name is Jacquelynn Smith and I had the pleasure of providing care for Mrs. Masters this year! She was so sweet! She told me that I was her guardian angel and that she loved me! I loved her also! I will miss her smiles and her kind words!!!!

“ Anita was my first cousin and I enjoyed talking to her a lot. My husband and I moved from Laurel to North Carolina in 2017 and I hadn't talked to her in a while. We always think we have too much to do. Jim was in the National Guard with me and my husband and I have to say he and Anita were a wonderful couple. I am sorry to hear of her passing and want you to know you are in my prayers.
