You have my deepest sympathy,
Terrie, Bessie, & Tommie were always the most honest, caring people I knew. If they were your friend you knew you had friends for life. My heart goes out for Tommie and Bessie. They were always together. I love you both and hope it gets easier and believe it or not time will help. Maybe Terrie and my Nikki are together laughing and talking. She used to help me with picking Nikki up at school. Please if you need anything let me know.

To know Terry was to love her. Her and her family have the biggest hearts of gold. Solid gold. They have been such a wonderful blessing in mine and my family's life. She's with Uncle Ed and Aunt Bernice now. Probably back to taking care of them. That's their (Terrie and her family's) spiritual gift, nurturing and taking care of people.
