“ I'm so sorry that I didn't hear this earlier and missed her service. Prayers to all the family. I have many fond memories of Ms Sue as she was a great friend to my mom. She had the most beautiful smile and a heart of gold. Blessings to you all.

“ The best and easiest memory I have of my Aunt Sue Lightsey is any of those many times she and Bill were dancing. I don't know if they began that way or grew into it, but those two sure could cut a rug !! And it's a good memory to think of, because it represents so well who they were and how they lived their lives. They lived it. They enjoyed a lot of what is renowned these days; travel, food, music, country, church and....family. And they loved each other, Although they rose from humble beginnings, they matured into folks who were quite knowledgeable about many cities, foreign and domestic lots of different kinds of food, the great art, paintings and sculptures from many cultures. This is what made her such a good hostess, she learned a lot and worked at it.
In my adult life she was a mentor; someone I could talk to about any topic, especially the church, the bible and our relationship to God.

When I was a kid she showed me what it meant to be a member of this family, as she showered me with love and affection that never varied, all my life.

Another good memory was the time she showed me how to make ice cream. It was a hot summer 1965, I think. We were at the house on Flowers Dr, when she handed me a thing that looked like a wooden bucket. Big crank on top. "Wanna make some ice cream?" she grinned.

I was eager while we were putting in the ingredients, but I was not too happy about sitting in sun, endlessly turning that crank. "It'll be worth it," she said.

And, of course, she was right.

Around that time there was a popular song on the radio that she used to sing along to, The Carpenters, Close To You. It is a sweet memory to recall her singing this one, and the words are perfect for her...." just like me they long to be, close to you."

We love you bunches ! Well done !

“ My Aunt Sue was so loving and kind, and very patient! I remember when all the cousins were in Laurel, Aunt Sue did not hesitate to have all of us kids spend the night with Bar and Steve at their house. It was such a wonderful summer experience that allowed cousins to really get to know each other. Aunt Sue was so very understanding and let us be kids giggling and "quietly" making all kinds of noise until wee hours at our slumber parties! I am proud to be named after my Aunt Sue! My heart is with you Steve and Bar! May she rest in the arms of the Angels.....

With all kinds of love and respect, Debra Sue Anderson
