“ I can't put into words what carroll meant to me and my family. She was a mentor to me for so many years at work, then grew into my closest friend and advisor. We had many years of good times, and I can laugh at so many things we shared. My heart aches with you all. This world has lost one of the kindest, most loving souls I have ever known. The world will forever be a bit dimmer without you, my friend. I will forever cherish all the advice and wisdom you gave me through the years. Til I see you again. Much love to the family, especially Jason, Darlene and Jon. I could never begin to thank you enough for all you did for carroll. Diann Strange
