“ She was a wonderful teacher, and friend. My aunt Mable loved her, too. Jubilee singers and Sportsplex swimming.
I know they are singing together again now.
My deepest condolences to her large and loving family

“ Charlotte welcomed my mother and father, GLoria and William Strong into the Wesley Sunday School Class. My mother and I liked Charlotte very much. Later Charlotte was President of the class when the class became part of the Massey Peden Sunday School Class. She graciously oversaw that change. Charlotte participated in the First Place 4 Health healthy living group which I led. She hosted a group meeting at the Natatorium which we all enjoyed. She helped with showers and other church activities until she moved to be close to her daughter. She was beautiful, had a beautiful personality and smile. She was a special Christian friend. We will miss her. With deepest sympathy and prayers, Susan Cannon.

“ Charlotte Welborn was one of the most genuine persons I have ever known. She was a dear friend of my parents, so I have known her all my life. I have many fond memories of her from Kingston Methodist Church; and as I grew into adulthood, she always had a warm hello for me every time we met, even if those meetings were years apart. I will forever remember the twinkle in her eyes and her sweet smile. She was a very special lady and will truly be missed by everyone who knew her.

My deepest condolences,

“ Mrs. Welborn was one of my favorite teachers, ever. She was kind, caring, and gentle, a wonderful role model for all us wild teenage girls. God bless you all, especially at this time.
