“ Glenda/William and Mike/Kathy... I am just hearing about Ms. Haweda and I am so sorry. She was such a sweet lady. I remember the last time I was home I stopped by to see her and the last thing out of her mouth was..."are you coming back to work" unfortunately I had to tell her no, but it filled my heart with joy just knowing she felt that way. I want to thank you for allowing me to be her nurse for those years I was at Laurelwood. I will forever remember her. I miss you all and love you dearly.

“ I am sorry for your loss and rejoice in the years you have shared with Mrs. Walters.

Among the memories I want to share with you is that of visiting Mrs. Haweda's parents in their home in Strengthford. Yes, Mr. Boy (as we knew him) and Mrs. Coley lived a short walking distance from us Smiths, and they frequently welcomed us into their home for brief visits. Now this was after she and Mrs. C.M. were married and gone, and the girls were only names to me.

It wasn't until I organized the first annual Strengthford School Reunion in 2004 that their names became beautiful happy faces. Each of the Cooley sisters proudly attended the school reunion as long as each was able.

We have already memorialized Mrs. C.M. at a reunion and now we will have the honor

to memorialize Mrs. Haweda at the next reunion.

May God bless you all.

“ Eddie and I are so sorry to hear about Mrs. Walters passing. It's a very sad time but we know you are celebrating her life with wonderful memories. Our son-in-law Kerry Walters went to Emmanuel church growing up and lived and admired Ms Hawida and her cookies. Now Sheree makes her famous dish pan cookies for our special occasions.

Our hearts and prayers go out to each of you today especially Micah and Danny and Kaely and Cody. May God bless and comfort you in this sad hour.
