“ Annelle, I was so saddened to hear the news about Mark passing away. Yall were such great neighbors. He always made fun of me trying to take care of the property, he would lend the helping hand. The funniest thing I ever heard him say, he always called the Isle Of Capri casino, The Pile of Debris! Miss seeing yall, miss those days of shopping at Landrums country. Please know that you and Mark jr will be in my thoughts and prayers during this time. Sincerely, Dorian D. Rogers-Heindl.

“ The FIVE times that I was sent to the Office, in high school, was because of my getting so tickled at Mark! He just looked so mischievous! Like he had just done something or was "fixin' to"! And even as an adult, that "look" was still there. I loved him to pieces and will never forget him.
