“ Oh lord, don't know where to begin.
For many years she was my best friend, my shoulder to cry on, my strength, my laughter, my junkin buddy, so many many memories but one thing we both shared we lost our moms at a very early age, and every year we exchanged angels to watch over us.. she would have found that perfect angel somewhere and I the same.. was very meaningful to both of us.. my heart hurts so badly So! I am So honored to have been a part of your life monty!!! Such a great mom, a hell of a wife, and one of the most wonderful friends anyone could have ever had. i know you are happy to see your angel, your mom. one day I will see mine again as well. My heart hurts so badly saying goodbye. We will see each other again my friend!!!! I love you my friend, we shared many years of memories!!!! Give my daddy a kiss for me monty!
