“ Connie and Monica—so sorry to hear this, I had no idea that your Mom was the one who died the same day as my Dad. She was such a sweetheart, she always stopped and talked with me at the nursing home, she was always so sweet. I know you will miss her so much. This has been very difficult for all of us. Praying for peace and comfort as you go through this day. So hate that their lives ended this way from this virus—Love you guys—

“ Rachel will be missed. She was the best cook ever. Her love for her family was obvious and influenced everything she did. Her brother, Billy, thought of her as the mother of the family. He loved her cooking and her ability to make everyone smile. She had a great sense of humor. It was a blessing to me to know her and be a part of her family. I know she and her brothers are reunited and happy in their forever home. Monica, Melanie, and Connie, hold on to those forever memories you made with her. They will sustain you through this painful loss. Prayers for comfort and peace. Aunt Trisha
