“ Larry was the heart of the Mississippi Art Colony. He will be so missed by all of his fellow artists. My prayers go out to his family and friends.

“ Larry was one of those generous souls. He was always there to lend a helping hand. No matter the situation. He was my go-to man at Colony. If Larry didn't have what I needed in his paint box or tool box, it just wasn't to be had! He had an off-beat sense of humor and a friendly smile and a funny quip whenever he saw you. He was “Mr. Colony.” Colony won't be the same without him. He was loved by all and will be missed.

“ Larry was a wonderful friend and high school classmate. We were members of the high school band at Northwest Jones and also JCJC with Larry. He played the snare drum and was always a vital part of our band. In July 1971, Larry was one of the attendants in our wedding. When we began planning our 50th Northwest Jones Class Reunion, Larry was so helpful in assisting to make our reunion a special event. He attended every planning meeting and was always willing to do his part in preparation. After our July 29, 2017 class reunion, we continued to meet every three months for food and fellowship. Larry was a huge part of those gatherings. At this time, we are sorrowful at his passing and pray comfort for his family during this most difficult time. We will forever be grateful for having such a wonderful friend. Rita Hester and John Stumph

“ Larry was such a wonderful friend! I met Larry almost 20 years ago as we were both members of the Mississippi Art Colony. As Colony members friends quickly become “family”. Like any family reunion our time spent together was always precious and it was made even more wonderful and special by Larry and his genuine ability to encourage to help and to love those around him! ! He made our lives brighter and our time together more enjoyable by his smile, his humor, his willingness to help to share and to give of himself, his kindness and his wonderful sweet personality and spirit!! Larry’s Dedication to his art and his work ethic as an artist Was a privilege to watch and I found him always inspiring. There is so much more that I could say about our wonderful friend. He was a fine man of faith and strong character who appreciated the beautiful in the details of simple things. Rest in the peace of our Lord Larry and may your family all of those who were blessed enough to know you experience God’s comfort and peace! My prayers for all who knew and loved Larry!

“ I have known Larry for more than 50 years. He was a wonderful friend. When he was working on the Ocean Springs bridge, he would come to my house at lunch every day. All know what a talented painter he was; every painting he did with a doily in it was represented as his mother. He spoke with me often of how much he loved and missed her. Such a dear, sweet, Christian man. We all loved him, that knew him. I will miss him so much for so many reasons. RIP now, with your mom. Much love

“ Larry was the dearest person to all of us at Colony. Besides being a wonderful artist head such a servant's heart and was always available to.lend a tool, electrical cord, paint or just help to any one of us. I met him at Art Colony in 2004 and always looked forward to seeing him twice a year. He was very fun loving and entertaining. Mr. Colony will be greatly missed.

“ I met Larry when I went back to work with MDOT in1985. With his natural love of people and outgoing manner, we immediately developed a lasting friendship. We were allowed the opportunity to work together and finish our construction careers on the Ocean Springs U.S. 90 bridge in 2007. Everyone Larry knew will miss him. I mourn his loss on this earth, but know we will meet again. George DeVaughn

“ Larry Bustin was one of the kindest and most caring people I ever knew. He was so welcoming to all of us at Mississippi Art Colony. I remember how focused he was when working on his paintings...total dedication to his craft. I will definitely miss his warmth and friendship.

“ I am so sad to hear about Larry passing. I have known him since 1998 when I came from Texas to the Mississippi Art Colony. He was one of the first to come up with a smile to welcome me to Mississippi. I have been coming to colony ever since and Larry was like family to all of us there. His energy, smile, laugh and jokes as well as his help when anyone needed anything done will be with us for a long time. He will be truly missed.

“ Larry's joyful spirit and welcoming nature form some of our best Mississippi Art Colony memories. He was an artist of great skill and meticulous practice. I once had the pleasure of awarding him a prize when I was judging an art show in Hattiesburg. Larry was always humble but also spoke his truth. He had a "servant's heart" and always provided help or tools or whatever was needed to his fellow artists. He will be missed for as long as we share memories of the best times at MS Art Colony. Our hearts are with you, Larry's family and friends.

“ My family has known Larry B for close to 50 years and will greatly miss a dear and loyal friend! When I started attending MS Art Colony I was privileged to witness the true and joyful nature of this fun-loving, talented and giving soul! He loved us all at Colony as though we were family and for that, we are honored! We at Colony will keep his memory alive and well with a "Spirit of Colony" award given in his spirit twice a year at our sessions. To you, his biological family, please know that Larry will always be alive and well in our hearts. May God grant us all the peace of knowing that truth.

“ He always had something going with us as we worked the election polls. I remember the first time I met Larry, he found out that he worked with my dad at the Hwy. Dept. He said “bless your heart “ then started talking about my dad asking him about my soon to be husband at that time. He said he told him “he had nothing to worry about, that he was a good man. Larry will be missed very much by so many people.

“ I am so sorry to hear of Larry's passing. Larry and I worked together in the late 1980s at the MDOT office in Laurel. Larry was a great person to work with and a great artist. I still have the print of the "Trigg House" that he gave me when I left MDOT.
