“ Adam. Such a sweet person. Such a good person who worked hard and cared about people. The world needs more Adams. Andres and I had only know him for a brief time, but we often think of you all. I was just saying that I needed to call and check on you guys. I love you all and I'm so sad to hear of his passing. Though words escape me, I do want you to know that I care about you and wish so much to be there to hug you. You have my heart. May God keep you and bless you always.
