“*Pearl is my eternal buddie. We saw a lot more humor in things than most people. Norm seriously wondered about us, at times. When they both rise from the dust, we will shout for joy. Isaiah 26:19 Friends in Mississippi have adopted me, helping me wait patiently. When my Miss. friends return, our family will expand. Pearl’s mom, Joyce, adopted me decades ago, so this has been a warm welcome when I first came to the South in “67”. Our spiritual family helps us while they are “sleeping”. We stay focused on the ministry so the time will speed up for their return in paradise. Love always, Sandy Wirfs*
