“ *To My Mississippi Family, Some of my best childhood memories are those vacations to see all of you. We always enjoyed spending time with the cousins, and Uncle AG was very special. We love all of you very much ~ Farrah*

“ *Dear Family, I regret the loss of your Daddy and granddaddy, etc. He was loved by so many. His nieces and nephews in Georgia will never forget him. He was very special to us growing up. I'll remember all the woodwork he made for us and taking pride in his garden. I love you all and praying for your strength during this time. Love, Gayle and Family*
