“ I am very sad to hear of Alice Faye's passing. I only learned yesterday. Have lots of good memories of us growing up together during our teen age years and so glad I got to see her not very long ago. Remembering us helping brush shellac on the walls of the house that Inez built in the country. People still comment how beautiful the walls are. I remember us singing "How Far Is Heaven?" on WLAU's Saturday afternoon Jamboree. Faye was a sweet person and I remember her with much love. May God wrap his loving arms around family and friends and give comfort and peace during this sad time for us all.

“ Mrs. Faye was a beloved coworker & friend of my dad & family from Kux Jewelers. She always supported & loved us throughout the years. She prayed for us through my illness & the loss of mom & dad both. I was able to visit with her by phone on occasion. Even with her latest news, she was sure God had her. Please know we are lifting your family in prayer in her loss. May God comfort you & give you joy in her memory. Love, LeVada Strickland Grantham, Barry & Wyn
