“ Andrea will be missed greatly at West Jones. She was one of the most positive teachers I have ever worked with. She was willing to help students even when they weren't in her classes. She was a great teacher to my daughter, Katie. Katie and I will always cherish the memories we have of Andrea.

“ Both my children were taught by Ms. Prine. My daughter, Rachel, would never have graduated had it not been for Ms. Prine helping her as much as she did in her senior year. My son Matthew was friends with Samantha and also had Ms. Prine. What a remarkable teacher she was. She is sorely going to be missed in the community. God certainly welcomed a tremendous angel into his kingdom! My prayers to all the family and friends. So many were impacted by her presence.

“ My heart, thoughts and prayers are with each of you during this sad time. I have fun memories from school years with Andrea. A special one that sticks out in my mind was a party at her house years ago when we were very young! Andrea will be missed by all that knew her. I will not be able to come by due to being out of town but again you are in my thoughts and prayers.
