“ Andy and I were friends from the time we were in our teens. He and his family were active members of Hillcrest Baptist church and were wonderful Christian people. We’ve had LOTS Of “adventures “ during those young days and never did ANYTHING To get in trouble. One night we went down I55 before it was completed, went around the barricade and about two miles down they were drag racing on the highway, boy we had fun. The next week we didn’t go and the highway patrol changed 55 people with trespassing and they paid a HEAVY FINE, glad we didn’t go and never went back. Those were wonderful times that I will remember forever, thanks Andy for being a friend 🙏❤️😊
