“ Angela and I worked together. Both of us lived close enough that we usually went home for lunch. we traded out driving. I can see her driving that little Karmen Gia. I always thought she was so pretty. My thoughts and prayers are with Melissa and family.

“ Although I didn't get to make a trip to Colorado while the family lived there, I am so thankful I was able to spend a few hours with my girlfriend, Angela, in Florida. We had a good afternoon of sharing. Love you, Angela. My deepest sympathies are with you, Melissa, and your entire family.

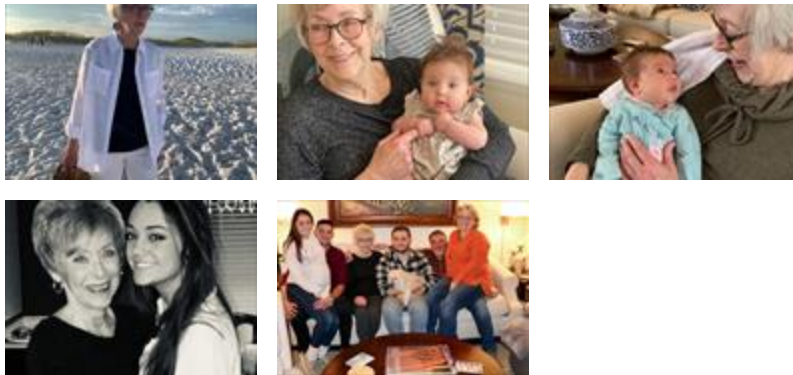

May God's peace and love surround you now and in the coming months.
