“ *She will be missed. Aunt Neenee had such a sweet, gentle spirit. We (cousins) always admired her so much and will have fond memories of the time spent at her house when we were growing up. She was such a wonderful example of dignity and grace. I know she is with Uncle Jim now and in a place where we all hope to see her again someday. I know our Heavenly Father told her "well done my faithful servant" and welcomed her with open arms.*

“ *Thinking of all of you at this time. She was certainly a big part of my life when I was growing up. My Mother and I loved her. I hope they are getting that bridge table going again.*
