“ I am so sorry to hear about the loss of your mother. You probably do not remember me from Stringer School (I played with your batons on the bus going to the JCJC homecoming festivities). My brother, DeWayne and I lost our mother in July of this year. There will be days that are so sad for you but then there will be days that you will remember some past 'good' days that will make you smile. Just knowing they are in a Greater Place called Heaven now in the arms of Jesus where there is no pain, no stress, nor sorrow and they are not requiring any medical attention. We do miss them but we know we will be with them one day. May God comfort you and your family.”
