“*Nanny was such a feisty lady! She was never at a loss for words when someone needed to be put in their place. I will always cherish my memories of playing at Nanny's growing up and getting in the storm shelter if a cloud blew over. Ha! I know she touched many lives and fed many mouths, and she is now receiving her reward for living a servant's life. My prayers for peace and comfort are with you all. With much love, Mandy and family*
