“ Chris, I was saddened to learn of the passing of another son. We have a difficult time understanding the loss of a loved one. I did not know Kyle, a loss that I regret and my prayers are for his family and all who knew and loved him. We are promised that one day we will be reunited with our loved ones. A promise we need to hold to and remember every day. Please let me know if there is anything that I can do for you or for Kyle's family. [601-428-7578]. I send my Love and share your grief.
