“ Me and my husband Ronald Atkinson and his his dad Mr Ronnie loved Ms Hutto she was so sweet she was our neighbor for many years she would always bake us cookies around christmas they were german cookies and they were the best. If i was home when i was off (amanda) she would stand on my porch and would scream my name out to come and have coffee with her she made the best but it was surely strong. I loved to hear her stories and talk about her husband that she loved and missed so much. She would always talk about her kids and grandkids and how much loved them may you rest in peace Ms Hutto and tou will forever be my guardian angel.
