“ I grew up with Arnett and was his best friend. I'm so sorry to see him leave and miss him so. Arnett and me had many adventures together and loved life, I am ashamed that I didn't get to see him before he left but I was sick real bad with the flu with my family sick also. I didn't want anyone to get sick and I had to stay away from everyone. Goodbye my friend, I really loved you in life. Bill
