“ Tammy, You are a very precious woman and I know it came from a line of other precious women that have been in your life. Ms Bama along with your mama would be who I am speaking of. I was never around either of them much, but I know from you and stories that I have heard about both, that they were very fun to be around and loved their families more than anything. I know that God will hold you and your family up through this time as you all say your goodbyes to your little Granny. Please know that you and yours are in my thoughts and prayers. I love ya girl, Marian

“ Praying peace for the family, especially Tammy, because Ms Bamas' absence will be most missed by her. I know she and your mom is looking down from Heaven smiling on you, Tammy. You have been such a blessing to both of them. But it is their time now...
