“ Barbara was a sweet friend. She always worked hard, did not bring attention to herself, loved the Lord and served Him graciously with her whole being. What joy and awe she must have experienced as she met her Savior face to face. May God's love comfort the family. I am so sorry that I cannot be physically present to celebrate her home-going. You will be in my thoughts and prayers tomorrow and in the days ahead. Just keep trusting and moving toward the goal. Love and prayers, Patsy Gilmore

“ Barbara was kind and considerate to all she met. She was always visiting the elderly like my mom in the nursing home. She would visit and bring cookies or a book to read and always sending cards to lift her spirits. She would send words of encouragement to me and my sister. It was always uplifting to open the mail and receive a note from her. I've known her for 60 years and she has always been the same sweet soul. We are extended family as she is the maternal aunt of my brother Robert's oldest children, Steven and Rochelle. I will miss her. Shirley Zugg Anderson

Bless you, dear family of Barbara. She has been such a tower of blessing and a wonderful model of a godly woman and spiritual leader. These are difficult times but our awesome “God of all comfort” - the One who has been with us on the mountains of joy 🏰 - has promised to go with us ... even through the “valleys of the of the shadows of difficulties, challenges and sorrows ...” And this comes from personal experience, not book-learning. May our Lord Jesus bear you up as on eagle’s wings to give you strength, comfort, restoration and peace as you move deeper into His healing presence and empowering grace.
