“ *Belinda was a sweet, caring lady. I met her when she came to work at the telephone company in Laurel, Ms. over 50 years ago. She and our dear friend Becky Carpenter Clark came to help and comfort me the day my son died. They did everything that was needed from manning the kitchen, greeting guest, running errands, to answering the phone. They arrived within a few hours of the accident on Sat and stayed until after the funeral on Tuesday. Now that is a loyal friend. That is just one example of her tender, precious heart. Over her life she has loved and blessed many people. She was a very proud and devoted mother and grandmother. Rest in peace my sweet friend.*
