“ My family and I would like to express our deepest sympathy over the loss of Belinda. May you find comfort in your loving memories and the warmth of family and friends. A scripture that has uplifted me during times such as this is found at Revelation 21:4. There it describes a time when death and pain will be gone forever after God restores his original purpose for the earth. We will even see our loved ones again who we have lost in death (John 5:28 & 29). It is our hope that these words bring you a measure of comfort during this difficult time as well. Once again, please accept our condolences as you deal with your loss.

“Gale was an inspiration to me. I enjoyed her smile and enthusiasm as we practiced for the Easter program. She joked about the "pains" in her knees but continued to participate with us and go right on with a smile on her face. She will be missed in any way by a lot of folks in our community. Our prayers will be with you during this time.

“ *Gale, it was such an honor to have known you for all these years. The one thing I will always remember is that precious smile that you always wore no matter what was going on in your life. You were always willing to share the Lord with everybody you met. But you not only talked the talk, more importantly you walked the walk with our Lord!! You have touched so many lives in your lifetime here on this earth, some you might not know even know about. Your an amazing person that will be sorely missed. I pray that Jesus will wrap your family up in His loving arms and give them strength, peace and comfort during their difficult time in the days, weeks, months and even years to come. God will watch over your family and we will see each other again one day. This isn't goodbye, it is I will see you later. Love you girl!!*
