

Betty Ann Beard Parker

April 29, 1954 - September 27, 2021

Betty Ann Beard Parker, our momma, was a wild one. She loved to run. They could never figure out what she was running from. She did a hundred miles an hour every time she cranked the truck. I tried to help her release, but it was the guilt that held her up. She felt like she didn't deserve to let it all go, like she was walking out on us again like she did so long ago. I held her and we cried, I said momma let it go, we love you, we forgive you, but you're running this show. You gotta forgive yourself to get forgiveness for yourself. If you are reading this, the same applies to you too, you gotta let the past go and look around you, the people that love you are there for you to hold, don't let the day come when they are there no more. Look in the mirror, forgive yourself, and move on, no one is perfect except for Jesus, and he called her home on September 27, 2021 at 2:15 a.m. She will be loved for all eternity, she is waiting for us, let's make her happy.

She was born to Walter and Louise Beard on April 29, 1954, she was "hell on wheels". I hope heaven has a race course. Momma, we will always love you. We are waiting for that day when we all will finally be together and everything will finally be ok.

Love Bronson (Melissa), Michael (Darlene), Jennifer (Mike), Angelia (Tommy), Brittney, Brayden, Bethany, Ella, Christina, Charlie Rose, Kaylan, and Stella Grace.

Services will be held at a later date.

“ Betty was my neighbor, she made me welcome by the time I moved to Dubose Apartments. We shared the love of Native American things. I was always fixing stuff for her because I do wood work. I spent time watching TV with her the last night she was home. Gonna miss her and her laugh.
It's not Goodbye Betty, it's Later till I see you on Heaven's streets of gold. Later, Betty, I LOVE YOU, MY FRIEND .

Betty and I were friends in the seventh grade, and I think she moved and changed schools after that. She was funny and full of laughter. I did not see her after the seventh grade, but I am sorry to hear she has left us.
