“ To Bryan, Andy, Deb and all of the Beesons – I am forever changed by Betty and Tony Beeson. Mrs. Beeson became my “spiritual mother” while I was a student at Southern Miss in the 80’s. I want all of you to know that she taught me the true love of Christ, as Mr. B modeled for me patience and kindness. The two of them showed me how a peaceful home could be. The benefits of this are now reaped in my family. My children understand the influence the Beesons had on me. Not long ago, I lost track of what was important and I was going through a very dark time in life. I happened to call Mrs. Beeson during that time to just check on her, and once again, on the phone from her bed in Comfort Care, she spoke these words of wisdom: “Robert, I am so happy for you because all you ever really wanted was a family, and God blessed you with a wonderful one.” I left the conversation realizing that once again Mrs. B had ministered to me as she had when I was a younger. I am grateful for the many beautiful memories I have of Miss Betty and Mr. Tony. It was great to see all of the extended Beeson family at the funeral. You are in my prayers. ~ Robert Colón, Pace, FL

“ *Aunt Betty took me under her wing when I attended college in the town where they lived. She helped me get acclimated to the area and I'll never forget that. We're so sorry for your loss, Bryan, Andy and Deb. Our prayers are with you all. We love you.* ”
