“ So sorry for your loss. None of the family here knew anything of her passing until we accidentally found it tonight (6/24/19). We had been wondering why we quit hearing from Betty or Albert. Came to visit us in Georgia and we visited with them many times in Laurel before my husband passed away in 2012.. My mother is Albert's aunt. Betty loved visiting with us because of dogs. She loved her Gizmo and she and my husband had many a laugh over her affection for Gizmo. He couldn't believe they drank out of the same cup! She was a wonderful person and a joy to be around. So sorry we did not know of her passing sooner.

“ I am deeply saddened by the news of Betty passing. I wished I could have been there to say good bye. But a person that departs from this earth never truly leaves, for they are still alive in our hearts and minds, through us, they live on. No one can prepare you for a loss; it comes like a swift wind. But take comfort in knowing that she is now resting in the arms of our Lord. May God give all of your loved ones the comfort and peace that they seek and need. Betty shared her soul with so many people. She touched all our hearts. Till we meet again my friend.
