“ I remember Mom and us kids walking to town it was a pretty good walk from 15th Ave but we sure enjoyed that walk. I remember when Mom took me and sister to the store putting stuff back just so she could get us something we wanted. We didn't have much money but our family had love and that so much better than money. And Mom made Christmas so special for us those days was so precious. Most of all I will miss Mom so greatly. I know she loved us so much I love you Mom and miss you
