“ I am sorry to hear of Billy Passing away. I knew Billy when I lived in Bay Springs and he worked at Denson service station. He would always say something that would make you laugh. He was a good friend. He was there for me when I lost my brother, Henry, unexpectedly. He also reminded me of Jerry Reed who played in Smokey and the Bandit. Always being comical. My prayers are with you all as you go through your sorrow. May God bless you.

“ My funny, caring, sweet and stubborn Uncle Billy. I'm so sad you are gone but I know you are no longer suffering. God gives and takes away and I know he does things for a very specific reason that we may not understand right away. You will be missed so much. I'm sorry I can't be there but my love and prayers are with the family during this storm. I love you Uncle Billy.
