“ Billy Ray and my Dad, Ollen Musgrove, were great friends as well as 1st cousins. I remember he took us to visit when we were little. In recent years we liked to discuss Ancestry. He loaned me pictures to copy as he came across them.

“ Uncle Billy Ray was so funny ! He loved playing pranks on me when I was a kid , I would walk from grannies house to my Uncle Joby's house and he would tell me the ghost of an mean ole billy goat was in the branch , I would run as fast as I could and he would get a good laugh out of it !
