“ *I'm gonna miss you Bob.. I know we haven't always saw eye to eye in everything .. but we always knew that the love we had as family would out weigh any disagreement or difference in opinions we might have shared ... I know it's going to be lonely ever afternoon not seeing you sitting outside as I am leave for work .. but I know you are still watching over us .. And I know you'll be waiting on us at heavens gates ... til we met again I'll keep my memories of you alive in my thoughts ... Rest in peace now where there's not pain or sorrow. May God be with your family in their time of sorrow....*
