“ Anise, I cannot express to you and your family just how important Ms Bobbie is in my life. She was always so positive no matter what was going on about her health. She always gave God the glory for everything good in her life! She loved God and her family and friends. I am so thankful God let our paths cross and we became fast friends. Ms Bobbie was such a blessing to me and my Mother. She was such a positive person and never met a stranger. We gave her a surprise Birthday party that I think she really enjoyed - especially her “special gift” from us. We will never forget the “ root beer and chicken leg”. That was a big joke with us. I love you, Anise, and Ms. Bobbie and I’m so very glad I can call you my very dear friends that I’m so blessed to have gotten to share parts of our lives together. I will always miss your very precious Mother because she will always hold a very special place in my heart...God Bless you and your family and I’m praying for y’all. We are always here for you!! Will always remember the “ jello” incident. I have many wonderful memories of a fantastic lady and they will always put a smile on my face and in my heart.. I love you!!!
