“ Ellen & Michele - my heart is heavy with the loss of your mom. God has called one of his saints home. And I know that your daddy was waiting for her. I can just hear your momma and daddy singing. You know what a big part both of them had in my life growing up and they were very special to me. There are so many memories that I will always cherish. Ellen - you have always been like a sister to me and Michele my little sister. That will never change. I have you and your families in my thoughts and prayers. with heartfelt love - Jackie Lea
