“ *Bobbie and I became best friends went through nursing school together and she was even my Maid of Honor in my 2nd wedding. Which she was right about him. And I would not listen to her. AND SHE WAS RIGHT!! Needless to say it was the shortest marriage on books. I listen to her from then on. She was always right in my book. But she cared and wanted the best for her friends and Family. She was a Great Mom and she loved Hope, Jason and Serenity very much!! I remember her Laughter, her expressions she could make some faces. she will be Missed Greatly.*
