“ *I am so sorry for your loss of Braiden. I was his kindergarten teacher in 2014-2015 .His class was very special since I retired that year. I loved Braiden and I will always remember him as a very creative little boy with a wonderful imagination. We kept journals and his entries always made me smile! I was so proud of his accomplishments that year. I know your hearts are broken and I pray the Lord will comfort and watch over your family in the days ahead. Love, Deborah Geddie*

“ I am so sorry for your great loss! There are no words to express my sympathy for your family. I remember the first time we met that cute lil red head boy. We would love to see him play at the football field in Sharon while Clay was practicing. He was always so busy and enjoying himself. I also remember that sweet smile. I pray the Lord gives you peace and strength always.
