Ive been deaing with Tim he is so devastated which im sure your not up to talking to anyone right now.Im sure what im about to say has been told to you by every one.But she is in a better place than we are. She will always be young and beautiful.That bright smile of hers will light up heaven. Always remember she is still with you in your heart. I think about all the good times we all had. At the water park,me taking Tim to see Lashe yall coming up here and the dinners weve had.I will cherish Lashe the rest of my life.I thought i would never stop crying.I just numb all over.I just never imagine this world without Lashe.I tryly loved her like my own daughter and mine and Tims heart is broken.When i have the time off i, going to bring some precious flowers to her grave and if you want i can let you know when i come down.6015079149.

“ I'll lend you for a little while A child of mine" God said - For you to love the while he lives and mourn for when she's dead. It may be six or seven years or forty two or three but will you, till I call her back, take care of her for me?

She'll bring her charms to gladden you and, should her stay be brief, you'll have her nicest memories as solace for her grief. I cannot promise she will stay, since all from earth return but, there are lessons taught below, I want this child to learn.

I've looked the whole world over, in my search for teachers true, and from the things that crowd life's lane I have chosen you. Now will you give her all your love, nor think the labour vain, nor hate me when I come to take this lent child back again?

I fancied that I heard them say, "Dear Lord Thy Will Be Done" for all the joys thy child will bring the risk of grief we'll run. We'll shelter her with tenderness, we'll love her while we may, and for the happiness we've known forever grateful stay. But, should thy Angels call for her much sooner than we planned, we'll brave the grief that comes and try to understand.
