“ Missed Brandon we grew up hanging out and playing video games together. James Bond GoldenEye for the N64 was one of our favorites lol. The multiplayer screen was shared on same tv so we was always looking at each other's position on screen to try to get the jump on each other lol. I remember his mom and dad bought us Tiger Harry's that was a mighty good burger and fries. I believe Haley was still very little back then. We would enjoy going fishing at his pond sometimes too and playing little bit of street hockey and skating at my place busting our butts more than once lol. One time I remember we all slept in living room floor together joking around with each other and making farting noises lol. Sometimes I wish I could go back in time I really enjoyed hanging out with Brandon and my brother Shawn and cousin Robert Lee feels same too. We miss Brandon and pray for the comfort of his family and carry the blessed hope of the Lord in all of us that we will be reunited together again.
