“ While I was down on bended knee,  
I got a message from above.  
A message sent from God, with love.  
“The one you miss and cannot see  
The one you miss is here with me”

I pray for the entire family.  
And send this little reminder...  
"Remember the good times  
Hang on to the good memories"  
With love,

“ *The Bible declares that it is appointed once for man to die, but I certainly was not ready for Brandon leave this earth heading for his Heavenly home. He was a precious person and was loved by many. I pray that God will wrap His comforting arms around the family and give them peace that passes all human understanding during this sad time. 1*

“ *I remember the beautiful little baby I got to rock a few times. He was always ready to give me a hug even though I wasn't in the family anymore. He is surely praising our Lord today in person. Praying for God's comfort and peace during these days.*
