“ We prayed for Baby Braxton while we were in the mountains. This precious child has touched the lives of many people that you will never know. I might be one of those. My heart breaks for you as you grieve. Just remember, you got the chance to experience love beyond all measure in that 58 minutes. God's way are higher than our ways and His plan we may never know until we meet Jesus face to face. Praying that your pain will become easier in days to come as you remember the awesome hour with your angel. P.S. Carolyn Shedd told us of this precious child while on a trip to the mountains.
