“ Brenda was my sister. We shared a room growing up. She was very smart in school. She would help me with my homework and if I was too sleepy to read a story that I had to read for school she would read it to me. She was a great sister, friend and a very good recipe swapper. I love you Brenda and will miss you terribly especially talking at 12:00 pm talks. 💕💕💕💕

“ I have so so many memories of you. Oh how I loved your fried okra. Still to this day I haven't found any that could come close to yours. I won't ever forget the chocolate cake you made that tasted like a hostess cupcake. I know there's a big reunion going on in heaven. You will be greatly missed. I love you moma Brenda. Give my moma a hug for me!!
