“ *Brenda’s sense of humor was wonderful and helped me thru many road bumps I had in my life. Although I’m the cousin that lives on the other side of the world, or sometimes it feels that way, Brenda always kept in contact and made me feel like part of the family. She knew how to turn lemons into lemonade! The love she had for her family was intense. She knew how to make you laugh even when you didn’t want to. I remember a trip we made to Mississippi where my Dad would drive all night and Keith and I would sleep in the car. We arrived and was staying with Mamaw and Papaw Jenkins she came over and was making us laugh. There was a family picnic at a park near a stream/river, I’m was too young to remember where. Brenda was bit by a snapping turtle. Although it hurt her, her sense of humor about the incident was hysterical.* ”

“ A few months ago Brenda called me up and asked “what is the obsession with stocking up on toilet paper.” It was delivery of the question that was funny. I told her it was because everything somebody sneezed someone had an accident. Brenda was an absolute beautiful person with a loving soul. When I drove down to bury my fathers urn, uncle Dave, next to Momma Jenkins. Brenda helped arrange everything. She loved her family so much. Talked nonstop about Sam and Susan and was madly in love with her beautiful granddaughters. Love ya Cuz!
