“ My heart is heavy with sadness, this beautiful young lady has left us too soon, but I have to trust Heavenly Father knows what’s best, although we don’t understand it. Brittany was one of my special Techs, she saved me many times when someone would call in the last minute to work, I would call her and she would come. She was a good respiratory therapist and she will be missed tremendously. Tammy, I’m praying for you and your family, may God wrap you in his loving arms and carry you thru this dark valley.
