“ *This precious lady was my Home Economics teacher and softball coach at Sylva Bay many years ago. So many wonderful memories were made with Carol Jo, from decorating for the prom to sideline talks on the softball field. She had a smile that was contagious and her smile could light up the darkest room. Carol Jo had a desire for her students to learn and she taught in a manner that made her students want to learn. Carol Jo touched many lives, in many different ways...especially mine. I'm a better person having known you.*

“ *So sad to hear this. I love this lady. She was a real treasure. She was my home economics teacher at Stringer High many years ago. She was a teacher, a friend, a mentor and most of all a beautiful soul. She made my wedding dress for me thirty-five years ago almost and helped me and my family thru the whole wedding process. I will never forget this lady. Rest in peace and prayers to the family. She was loved and will be missed.*

“ *Carol Spradley was a treasure. I have missed her so much. Every year she always checked out Miss Tizzy from the library at Bay Springs Middle School to read to her classes. She taught Social Emotional Learning (SEL) back in the day.....ahead of her time...but she knew what students needed. Many blessings to her family.*

“ I cannot even begin to express how much this beautiful lady meant to me. She was a second mom to me in high school and I have so many wonderful memories with her....From ballgames to home ec class to camping and to just being us and silly. She was always there for me in good times and bad and I will forever be grateful for her. I'm thankful to have had her in my life. She was so special to me. Fly high Carol Jo...give Daddy a big hug for me. Many thoughts and prayers to the family.
