“ I am deeply saddened by the tragic loss of this couple. Carroll was my mentor in the Ham Radio field during the 60's - a meticulous and knowledgeable teacher! As one reflects on their career over the years, only a few individuals stand out as having a major impact, and Carroll was one of mine. My thoughts and prayers to their families.

“ My thoughts and prayers go out to the family and friends of Carroll and Paula Craft. I knew Carroll for many years working at Howard Industries. He was a Christian man that was respected by many. From what I understand, his & Paula's last act while on this earth was fulfilling our Christian duty in serving others. They are now with our heavenly Father in a place where their loved ones will see them again one day.

“ Our sympathy is again with the family. Carroll and Paula always traveled together and were bold witnesses for Christ. Now they have gone to be with their Lord together. God bless their family.

“ We are thinking of you in this difficult time. May happy memories replace the sadness in your heart.
Carroll and my brother, Randy, were friends growing up and Paula and Carroll were mine and my husbands neighbors when we lived at Lake Heritage. I have many fond memories of both of them.
