“ It breaks my heart that my Brit Brat is gone! I loved working with her so much! She was such a light in everybody’s life! She was always making people laugh! One thing that has stuck in my head since I found out about her passing is one day she walked in to work like usual and I had wore makeup that day and she had never seen me with makeup on and she walks in and goes HEY IM BRITANY! Just as cheerful and we all laughed and I said I know who you are crazy! I she will definitely be missed by so many people!
