“ I took care of "Champ" at Magnolia Gardens & at Cotton Wood Manor. I loved him to death, he was one in a million! His smile, laughter and personality made my day GREAT! He was always thankful for everything and anything you'd done for him, he gave the best goodnight hugs.. His room felt the most like home, natural day light, a country tune, a welcome hug, kiss on the cheek, bite to eat... I will never forget all the long talks, great conversations about how much he loved his wife, how much he missed her, and what his family meant to him. Rest in peace my dear friend! God bless...

Ashley, I have never looked at this before. I want to thank you for writing this. This literal ANGEL was my papaw! You literally brought tears to my eyes. There was never and will never be again ANYONE that gives hugs like him. He squeezed ya so hard you thought your eye balls would pop out!

So many times I wished I could just hug him one more time. But then it would leave me wishing still... for one more. I have never more love from anyone in my life. There has never been a greater man as my papaw. Thank you for being there for him and bringing him coffee. ALL DAY EVERY DAY, I'm SURE!

😭😭thank you for hugging him and loving him and listening to him.😭
😭😭 I appreciate giving him the attention he needed and deserved.
Thank you Ashley 🙏🙏❤️
