“ We were simply amazed at the outpouring of love and admiration for our daddy. He was a kindhearted and generous soul and we are so grateful that so many people had the opportunity to know and love him as we did. He will forever leave a hole in our hearts and lives, but his legacy of kindness, intelligence and his great sense of humor and wit will live on in many hearts forever. Thank you to everyone who sent thoughts and prayers, who took the time to reach out to us, and who attended his memorial, in person or in spirit. Much love to all of you, our kindred in grief.

We will see you again, daddy. I love you!
